

Buzzard Class Homework – Summer 2024 – Romans in Gloucestershire

Choose one of these activities to complete for your homework every fortnight. You can colour in the box once completed, if you like.

I would like to see and share it on these dates: **Tuesday 7th May, 21st May, 11th June, 25th June and 9th July.** Good luck and have fun!

Interview a Roman soldier. Make a list of 10 questions you'd like to ask a Roman soldier who has come to Britain.	Research Roman gladiators. Make a fact file or poster to show what you have learnt. 	Visit Cirencester! Hunt for remains of the Town Wall, wander in the Corinium Museum, investigate the amphitheatre....
Research, design and illustrate a Roman menu. What food did Romans typically eat? How did they influence diets in Britain?	Roman maths – research Roman numerals and then choose a times table to write using them.	Make your own Roman mosaic using coloured paper. Keep your design simple and effective. Have fun!
