Thrupp Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff, governors and volunteers to share this commitment.

Policy Statement

At Thrupp Primary School we work hard to ensure that all children remain safe and we care for their welfare. When a child leaves our School we ensure that they do not go missing from the education system. We retain children on our registers until we are formally requested to transfer them to a new school.

Should we become aware that a child has not re-registered at a new school or we believe that they are now missing education we will contact the Access to Education Team at Gloucestershire County Council.

We will do all we can to comply with and uphold the Gloucestershire County Council Guide to Children Missing from Education and Missing Pupils (family whereabouts unknown) – January 2017

The member of staff responsible for all attendance related issues is our Headteacher, Mrs Donna Mylechreest.
