Dear Parents and Carers,

Wake Up Club Update: New Arrangements from After Easter

We are writing to inform you about some exciting changes to our Wake Up Club, which will be introduced after the Easter break, thanks to a generous grant initiative from Forest Green Rovers (FGR). This initiative will allow us to offer additional support to families, making Wake Up Club more accessible to all our students. This will be a trial for the summer term and we will review our arrangements and the impact on our families during the summer term.

Under this new arrangement, FGR will support the Wake Up Club in two key ways:

1. **Partial Subsidisation:** The cost of Wake Up Club will be partially subsidised to £3.50 per session for families who do not meet the criteria for fully funded support.
2. **Fully Funded Support:** For children with a Social, Emotional, and Mental Health (SEMH) need or a financial need, we are pleased to offer fully funded support. If your child is eligible for this, you will be notified directly by the school.

Food at Wake Up Club:

Please note that food served at Wake Up Club will be vegan. We will not be offering alternative options at this time. There will be milk/water to drink plus toast, cereals, fruit and a variety of crackers on offer daily.

Confidentiality: Please note that the details of which category your family falls into will remain confidential between the school and your family. It is essential that this information is not shared with others to maintain privacy and respect for each family's circumstances.

Booking and Invoicing: Wake Up Club booking will continue in the same format that we use currently. Kate Sutton will handle invoicing according to the applicable support category for your family.

We are grateful to FGR for this support and are confident that these changes will help more children access the Wake Up Club and start their school day in a positive, supported way.

If you have any questions, please feel free to contact myself or the school office.

Thank you for your continued support.

Yours sincerely,
Donna Mylechreest
Headteacher
Thrupp Primary School
